

PRODUCT

Doors & Hardware

E2 Walls sources doors from LEED-certified manufacturers. Choose from hinged or sliding door products in aluminum, hardwood, paint grade, or plastic laminate, including prefinished architectural doors.

- Door hardware to match building standard or as specified.
- Glass and Vision Kits are available in a variety of standard sizes or as specified. Door components are engineered for 1/4" tempered glass. All glass supplied by E2 Walls shall be tempered glass and each piece will display the required label.
- In-house door finishing process allows us to respond quickly to your needs and uses environmentally-friendly water-based materials. Solvent-based finishes available.
